## UNWANTED EMPTY Rx BOTTLES

Can't recycle those emptied prescription bottles, what do you do through them to the garbage pile? Well, YOU can help improve the quality of health care in hospitals and health clinics in

developing countries by saving and donating pill bottles.

Did you know that in developing countries medicine is often

dispensed into hands, pockets, leaves or any other type of container available. Mathew 25: Ministries in Cincinnati, Ohio accepts donations of clean emptied pill bottles to help improve health care quality in developing counties. Placing a nickel or dime into each container will help with the shipping cost of shipping. There is a tote in the Narthex to put them in if you wish to help. Please remove all labels. We will send when we have enough to send. Thank you.

## ADULT BIBLE STUDY

Adult bible studies is on Tuesday at 7p. There is a sign up sheet in the narthex if you would like to attend there is also a topics space if there is a special topic you are interested in learning about.

## HELP!! CAP THE DRAIN TILE!!

It will take approximately \$10,000.00 to pay for the needed improvements at the parsonage. Drain tile will be installed around the foundation of the house and a wall in the basement will be straightened and reinforced. Current donations for this project roughly \$5500.00 as of now. As new donations come in, watch the ribbon climb to the top of the tile to show the progress. When the ribbon reaches to the top we will be able to CAP THE TILE!

## LYDIA CIRCLE
